May 19-22, 2022

Auction Item Donation Agreement

Since 1900, Family Services has specialized in providing support and guidance to Montgomery County individuals and families in need. Throughout our history, our programs have evolved to meet the ever-changing needs of the community. Our current programming focuses on Family Support; Health and Wellness; Older Adults; Parent Education; Reentry Services; and Substance Abuse Prevention.

Our many innovative social service programs make a positive difference in the lives of over 11,000 Montgomery County residents each year. While our programs are varied to address different community needs, the heart of our mission is simple: ***We are committed to improving the lives of people in Montgomery County.***

Please visit our website (fsmontco.org) and social media accounts (@FSMontco) for updates on how you are helping to improve the lives of people throughout Montgomery County.
